(1-30 ATTORNEYS IN LOS ANGELES)

GLORIA ALLRED

ALLRED, MOROKO & GOLDBERG

Gloria Allred is probably the best-known woman attorney practicing law in the nation today. She is a tireless and successful advocate whose high-profile legal battles on behalf

of victims whose rights have been violated have led to many landmark precedent-setting court decisions and hundreds of millions of dollars for her clients.

When a high-profile legal case hits the airwaves, we have become accustomed to seeing Gloria Allred in some key role as attorney or commentator. But this nationally recognized advocate has built her pioneering career on much more than O.J. Simpson and Amber Frey. As a tireless crusader against discrimination in all areas of our lives, Allred's legal reach has been wide and long. For the past three decades she has played an integral role in combating injustices and winning new rights especially for women and minorities. Fearless lawyer, feminist, activist, television and radio commentator, warrior, advocate, and winner — Gloria Allred is all of these things and more.

ALEX CALFO

KING & SPALDING

four of the top 10 winning verdicts for the entire State of California. Calfo is a member of the American Board of Trial Advocates (ABOTA), an invitation-only group of attorneys who have the requisite skills, integrity and trial experience.
